Notes:

Thanks to Elaine White from West Sussex, England for designing the 2 'easy' patterns to stitch for her family members while she's in Hospital for treatment. We wish her a speedy recovery.

"Now that breast cancer awareness month has come round again, I have been amusing myself with another 'easy' chart. My battle with breast cancer continues but we are all determined to remain cheerful and positive. Various creative projects including cross-stitch have proved to be good therapy."
